Goalies will be limited to how many games they can play according to their endurance rating.
The endurance rating will be as of the start of the season.

Goalies with 80+ endurance can play in 72 games
Goalies with 70-79 endurance can play in 66 games
Goalies with 60-69 endurance can play in 60 games

Goalies with 50-59 endurance can play in 50 games
Goalies with 40-49 endurance can play in 40 games
Goalies with 30-39 endurance can play in 30 games

Violating these regulations will result in the following:

- A) For playoff teams, your backup to your farm team will start the playoffs and play in however many games you went over the limit.
- B) For non-playoff teams, it will cost you 1 million for every game over the limit.
